COOPERATIVE
EXTENSION

**TRAINING
IS
FREE!!**

The University of Arizona
Cooperative Extension presents:

BRAIN BUILDERS For Life

This 16-hour interactive training will focus on integrating early brain development and typical child development for children prenatal to age three. The training will cover all domains of child development including physical, cognitive, social, emotional and adaptive development. Even if you have previously attended the 'Mind Matters' Training, this is a perfect follow-up, with new information.

Brain Builders for Life

DID YOU KNOW.....?

- That 90% of a child's brain is "wired" by the age of three?
- That early childhood experiences have profound lifelong impacts?
- That the brain of a three year old is as active as a college student's?
- That eyesight development is completed by age 3?

WHAT?	A 16-hour training institute that combines early brain development and child development focusing on infants and toddlers.
WHEN?	The 2014-2015 Brain Builders for Life Training schedule is enclosed.
WHERE?	The Brain Builders for Life Training will be offered in all DES Districts. See the enclosed training schedule for trainings in your area.

COST?	The training is FREE to anyone who works in a regulated child care setting: directors, caregivers, preschool teachers, etc.

TWO DIFFERENT WAYS TO APPLY:

- Fill out the enclosed application and mail it to the address on the form.
- Fill out the enclosed application and FAX it to the number on the form.

Construyendo el Cerebro por Vida

SABIA USTED.....?

- Que 90% del cerebro de un niño está "conectado" a la edad de 3 años.
- Que las experiencias a la edad temprana tienen efectos profundos para toda la vida.
- Que el cerebro de un niño de tres años es tan activo como el de un estudiante de Universidad.
- Que el desarrollo de la vista se ha completado a la edad de 3 años.

¿QUE?	El entrenamiento combina el desarrollo del cerebro de la infancia y el desarrollo infantil temprano para dar lugar a un niño con un cerebro más fuerte y con mejores perspectivas.
¿CUANDO?	El 2014-2015 Brain Builders for Life Training Schedule is enclosed.
¿DONDE?	El entrenamiento de Construyendo el Cerebro por Vida se ofrecerá en todos los distritos del DES y en el programa de capacitación para los proveedores de servicios de la infancia.
¿QUIEN?	Este entrenamiento está diseñado para todos los proveedores de servicios de la infancia, incluidos los proveedores de servicios de la infancia y los proveedores de servicios de la infancia.
¿COMO?	Tiene 3 diferentes formas para aplicar para este entrenamiento: por correo, por fax o por correo electrónico.
¿COSTO?	El entrenamiento es GRATIS a cualquier persona que trabaje en un centro de cuidado de niños, directores, proveedores de servicios de la infancia, maestros, etc.

HUD's Office of Native American Programs

2015 Training Session

Financial Management, Program Income And Basic Audit

In partnership with NAIHC

Feb. 4-6|Reno

The purpose of this training is to provide participants with an orientation to the financial management systems necessary to achieve and maintain administrative capability in operating the Indian Housing Block Grant program. Participants will be provided with an overview of the financial and administrative requirements that pertain to the use of funds distributed to tribes and Tribally Designated Housing Entities (TDHEs) under the Native American Housing Assistance and Self-Determination Act (NAHASDA).

Objectives

- Obtain an overview of GAAP, fund accounting and how housing programs fit.
- Extend knowledge of accounting processes.
- Understand basics of accounting and measurement.
- Review the sub ledgers for the balance sheet accounts, and why they are important.
- Review normal adjusting entries for accounting typically needed for fiscal year-end.
- Analyze financial statements prepared for GAAP presentation.
- Understand methods used to perform grant-based accounting and cost accounting.
- Learn and practice the methods used to track program and non-program income.
- Understand useful life requirements.
- Review preparation of the SF-425 and APR financial tables.
- Review of the audit process preparing for the A-133 audit.
- Learn techniques for financial monitoring and self-monitoring.

This training is targeted to those responsible for the financial administration of housing program funds including financial managers, controllers, accountants, bookkeepers and accounting technicians. Managers and directors who supervise these positions and wish to gain a better understanding of financial requirements are also encouraged to attend.

NAHASDA Title VI/Loan Leveraging

In partnership with NAIHC

Feb. 10-11|Phoenix

Leveraging the IHBG grant is a valuable housing resource in the Native American Housing Assistance and Self-Determination Act (NAHASDA) that passed in 1996. But many tribes are unaware of or have not used this tool to meet their housing needs.

This comprehensive two-day class has been designed to cover many aspects of the Title VI loan leveraging program and the mixing of funding sources. The HUD instructors have multiple years of experience in Title VI and Indian housing programs.

After attending this interactive workshop, participants will have the knowledge and confidence necessary to make informed decisions about leveraging, using Title VI, Section 184 and other funding sources to finance tribal development.

Objectives

- Leveraging
- Using Title VI and Section 184 Guarantee Programs
- Applying for Title VI
- Getting prepared for development
- Roles of the tribe/TDHE, HUD and others
- Creating an implementation plan
- Determining financial feasibility
- Mixing in additional sources of funds
- Creating your own development plan

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is a leading cause of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- ''' Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- ''' Have a three-foot "kid-free zone" around open fires and space heaters.
- ''' Never use your oven to heat your home.
- ''' Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- ''' Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- ''' Remember to turn portable heaters off when leaving the room or going to bed.
- ''' Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- ''' Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- ''' Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell gas** in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of December, January, and February.

Hualapai Health Department
Medical Transport – Update 5-28-2014**

DESCRIPTION OF TRANSPORTATION SERVICES

The Hualapai Tribe through the Hualapai Health Department's Non-Emergency Medical Transport provides transport services which include services to the elderly and disabled. The Hualapai Tribe is a Tribal Government which provides governmental services for individuals who live on the Hualapai Indian Reservation. One of those services is Non-Emergency Medical Transportation.

Hualapai Health Department's Transport Services

1. The priority is medical transports. These trips are for medical appointments or for medical admissions. The trips are requested by completing the Non-Emergency transport form located at the Health, Education and Wellness Reception desk. Please attach a copy of your appointment slip. The completed transport request and appointment slip. Submit transport request as soon as you know you need the transport. The completed transport form should be given to the HEW Reception staff. If you do not receive a call informing you that you have been scheduled, you may call 928-769-4188. The trips are provided between 3 AM to 10 PM, Monday through Friday. The trips are normally made to Kingman, Arizona but also include, Flagstaff, Phoenix, Parker, Tucson Arizona and occasionally to Las Vegas, Nevada. Seat belts and car seats are required for all transports. You must bring your own car seat.
2. AHCCCS is billed for medical transportation for those Individuals who are on AHCCCS or who may qualify. Non-AHCCCS, who qualify, patients are covered through the Hualapai Tribe's general funding.
3. Non-Medical Transports. There is a charge for other types of transports of \$10.00 per 100 miles per person. Those trips include: food bank, shopping, pick-up or drop off at various places, trips to medical facilities where their immediate relative has been flown or taken by ambulance, individuals who need to pick up their vehicle, shop for a program, and other social or program issues that may arise. The trips are available between 8 AM to 5 PM, Monday through Friday. The trips are made to Kingman, Flagstaff, Parker, Phoenix, Las Vegas, Supai Hilltop.
Local transports may be provided if a driver and vehicle are available.
If an escort is needed, please complete that portion of the transport form.

Summary Statement

The driver may encounter a situation not covered in this or the Hualapai Tribe's Policy and Procedure and may not be able to discuss alternatives with the Supervisor or Director and will need to make the best decision they can. In these instances, they must notify the Supervisor/Director as soon as possible and follow-up with a letter explaining what happened - follow-up and outcome. The Hualapai Tribe does not discriminate against any individual on the basis of race, color, sex, religion, national origin, age, pregnancy, disability and/or sexual orientation.

Please review the attached complaint and incident forms, provide feedback to HEW Transport if you see anything that needs to be added or removed. Thanks. Sandra Irwin, Director

Household Income Survey on the Hualapai Reservation

Over the next several weeks, the Planning Department, in association with the Community Health Representatives and other volunteers, will be conducting a survey of household incomes in Peach Springs and Valentine. The survey data will be used when applying for future Housing and Urban Development (HUD) Grants, so the Hualapai Tribe can continue on with our construction projects such as the Health, Education and Wellness building and the New Day Care facility. The survey will ask the number of people living in your home and if your income is above the amount determined by HUD for your household size. The survey will take less than five (5) minutes. Thank you for your support and helping to build a better community.

2015 BIA TRUXTON CANON/SOUTHERN PAIUTE WILDLAND FIRE TRAINING

SUBMITTED BY: MELVIN HUNTER SR./B.I.A AGENCY

2015 BIA Truxton Canon/Southern Paiute Wildland Fire Training

The 2015 Wildland Fire Season is on its way and we are looking for highly motivated individuals willing to work strenuous shifts, maintain a positive attitude, and to be a team player. Keep in mind fire is unpredictable so shifts include weeks away from home and working holidays.

What is Wildland Fire?

A wildland fire is an unwanted ignition which consumes available fuels (grass, trees, and shrubs) by crawling, creeping, jumping, and running before smoldering to rest. Unwanted fires are the results of Yellow Stone Fires (1988), Rodeo-Chediski Fire (2002), Wallow Fire (2010) and most recently on the Hualapai Reservation the Black Canyon Fire (2012).

What causes a Wildland Fire?

There are two types of ignitions 1) "anthropogenic" the results of human activity such as playing with matches, dropping cigarettes, embers from chimneys, unattended camp fires, and sparks from machines 2) natural ignitions are from volcanic activity and lightning.

How do I apply?

Contact staff at Branch of Forestry or stop by the office for application and nomination form for trainings. The process for employment is to complete; 1) Drug test 2) Physical Exam if your 45 years or older (Optional Form 178) 3) Southwest Firefighter Application 4) Health Screen Questionnaire 5) Work Capacity Test (WCT): Informed

The position which you are applying for will determine the WCT as Pack test, Field test, or Walk test.

What will I Do?

You will be a part of a 20 man hand crew made up of a Crew Boss, Squad Bosses, and Sawyers. On the other hand, you may be working on a wildland fire engine. Depending on experience and qualifications your position may vary.

Required

- DOI Drug Testing is required; test must include the five drugs: marijuana, cocaine, opiates, amphetamines and phencyclidine. Drug testing is provided by the applicant with a copy of verification to the Branch of Forestry.
- For pack test dress in gym clothes with walking or running shoes.
- Wildland Fire boots are required with Vibram sole with 8 inch top.
